VERMONT Y. M. C. A.

THEIR 28TH ANNUAL CONVENTION OPENS IN ST. JOHNSBURY.

Words of Welcome, Response and Address by Dr. Tuttle of Amherst College Church in the Evening—Almost a Barre Tragedy—Vermont Generally.

St. JOHNSBURY, Dec. 1.—The 28th annual convention of the Young Men's Christian association of Vermont opened a two-day session here to-night. A collation was served in Association hall.

Charles H. Horton, president of the St. Johnsbury association, gave an address of welcome, and brief responses were made by Principal Spencer of the Vermont Methodist seminary at Montpelier, President North of Rutland who presided over the convention, Col. J. J. Estey of Brattleboro, and others.

About 50 delegates arrived to-night, and this evening an address was given in Music Hall by Rev. Dr. J. E. Tuttle, pastor of the Amherst college church. His theme was "Youth and the hour."

Among other things Dr. Tuttle said: Touching his country, the American is the prince of optimists. The optimism is justified, not merely by the possibilities of our country, but 200 years of glorious history. We have solved in a generation problems over which the mightiest monarchies of the world have struggled in vain for centuries.

Present facts warrant hopefulness. Our industries, the intelligence and integrity of the people, their unparalleled interest in all questions of moral reform, the power of consecrated wealth, the practical outreaching of the church to the masses of young manhood, handed together for righteous law and living, now most hopeful signs of our national horizon.

But the hour is also fraught with grave apprehensions, corruption of political life, encroachment of capital upon the rights of labor, the disregard of labor to the rights of capital, the evils of intemperance, the impurity of life in great cities, are ominous facts. The hour calls for spiritual examples and high achievements. The Christian must be a patriot. The only Christianity worth the name is Christianity that works. We are settling here problems of the ages and the destiny of men. The call is for young men to stand for righteousness in everything.

George B. H. while playing on a sandbank in Providence, were buried under a mass of sand, but were dug out alive.—Contrary to general expectations, the will of the late Dr. Henry Bronson contains no public bequests. He had been a generous giver during his life to benevolent and public institutions.

How Do You Care For Yours?

Do You Allow It To Waste Away, or Are You Seeking

To Build Up a Good Sound Body For Long Life?

TAKE ALLEN'S SARSAPARILLA AND BE WELL.

Read the Following Testimonials, and see if They do not Contain a Lesson for You.

I have had Eczema of Salt Rheum for the past two years, and it has been more than I could wish to endure for any small sum. Some four weeks ago I was taken with rheumatism in my legs and hips, and for three weeks I could hardly get around the house. Two bottles of Allen's Sarsaparilla have cured my Eczema and nearly cured my rheumatism. I shall use one or two bottles more, and I think it will cure me entirely. I have taken many other kinds of medicine for my troubles, all to no good effect. I think yours is the stuff.

JAMES H. BARNES, Justice of the Peace.

CAMDEN, Me. For five years I have suffered a great deal from Dyspepsia and Indigestion. Just as soon as I would eat anything my stomach would distress me terribly. It seemed as though my digestive organs had lost all their power, and my food would lie on my stomach like so much lead. My bowels were also continually constipated. I have doctored a great deal, trying a great many remedies that were recommended for my troubles, but could get but very little benefit from any of them. At last I was persuaded to try Allen's Sarsaparilla, and had taken it but a few days when I began to see a great improvement. I had not taken one bottle before the distress was all gone. My bowels were regular, and I could eat a hearty meal without feeling any bad effects. Now I have taken but a little over one bottle, but it has helped me so much that I would not be without it for any price. It is decidedly the best medicine I ever used, and I can heartily recommend it to all.

Mrs. H. J. BARNES, VINAL HAVEN, Me.

THE ALLEN SARSAPARILLA CO.

Gentlemen:—For three years I have been troubled with Scrofula humor in my face, and could not get any relief, although I tried all the different Scrofula and blood purifiers. I saw one of your advertisements in the Rockland Courier-Gazette, and thought I would try Allen's. I did so, and continued its use until I had taken two bottles, by which time the Scrofula humor had all disappeared. I cheerfully take every opportunity to recommend such a valuable remedy to all who are suffering from Scrofula or similar diseases. I say, take Allen's and no other.
